Hi Beth,

All but 1021-1795 are on your team. Would you mind closing the others out and putting the record together for your 3?

Other applicable files are attached.

Thanks,
Jackie

Subject: New Container Acceptability Letter - 1021-1688, 1021-1795, 1021-1803, 1021-1807

Hi Tom,

Please see the acceptability letter for the new container program for the following products: 1021-1688, 1021-1795, 1021-1803, 1021-1807. I have worked very closely with Karen Larson of Clarke with many of these submissions, but have not included her here because she is not with MGK. Please consider looping her in if its possible per MGK policy.

Many thanks,
Jackie
